Modular Introduction

Panasonic

technical pages

## Welcome to Thea Modular World. . .

Be ready to meet modular products that will make your life easier with advanced Panasonic technology and exclusive designs. One of the Thea Modular series bringing different needs together in the same frame is absolutely for you.

## Thes ultime

Ultima modular series distinguishing itself with Glass, Eloxal, Metallic;and Wooden frames brings Panasonic quality, modernity and comfort to your living spaces.

## Panasonic

## Thea sisteme

Sistema modular series, the world of frames with zamak alloys, is inviting you to draw all the attention. Panasonic interprets the privileges of modular products again with its own concept.

## Thee optime

Discover Panasonic quality and refined elegance behind this simple appearance

Hard-edged frames open the doors of modular world widely.

## More

 functionmore design

Prouse

Thea introduces the advantages of modular system to the users. With Ultima, Sistema and Optima having modular mechanisms and different forms, Thea brings freedom of choice to the living spaces.

# Connect to the technology with modular series: 

Thea's approach to design communes with modular concept. With USB connector, USB charger, HDMI connector, VGA connector and RCA connector, Thea adds the advantages of technology to make the life easier among the options it offers.

1 Thea Modular USB Charger
A new period for charging without adapter starts with Thea Modular USB charger in hotel, home, office. Meet Thea Modular USB charger and get rid of the excesses. Thea Modular USB charger introduces you the direct charging comfort through USB cable without adapter. On the other side, 2 separate devices can be simultaneously charged with 5 V 2 A power output and 2 USB socket output of Thea Modular USB charger.

## 2 Thea Modular RCA Connector

New member of Thea family, Thea Modular RCA Connector eliminates the stress of searching for input on the devices for audio and image transfers. Now it's easier and more comfortable to connect to the device whatever you want with Thea Modular RCA Connector.

## Panasonic

## Thea

Modular

## 3 Thea Modular HDMI Connector

New modular HDMI module of Thea family brings the facilities to your office, meeting room, hotel or home. Thanks to Thea Modular HDMI Connector, you will meet the comfort of making the connection to projection device, computer or television from the closest and single point and you will get rid of the extra cables causing visual pollution. The only thing to do for that is to make connection inside the wall to Thea Modular HDMI Connector from the device required for HDMI connection.

## 5 Thea Modular USB Connector

Stop searching for USB input on the television or screen with Thea Modular USB Connector! USB connection that you seek for all of your documents to reflect on the screen from your device in hotel, meeting room or home is as close as Thea Modular USB Connector socket on your wall. Mount Thea Modular USB Connector on the closest accessible point and make the necessary connection to the device you want to use from the modular set. Remove all challenges and obstacles from your life with Thea.

## 4 Thea Modular VGA Connector

What about making VGA connections over the socket on your wall? Insert VGA cable to the new Thea Modular VGA Connector and start the image transfer within seconds.

Frame
An exclusive and rich range of modular frame options provided by Ultima, Sistema and Optima models steer the decorations.

## Cover Plate / Rocker

Different colored switching modules are distinctively combined in Italian style to appeal to those having a hard time to choose.

## Modular Mechanism

Modular mechanisms developed for switch, socket, TV/DATA, dimmer, electronic products depending on use serve for the maximum satisfaction of the users.

## Modular Wallbox and Mounting Frames

Halogen Free modular boxes suitable for walls varying as concrete and drywall and mounting frames suitable for use draw the borders of impeccability of modular series.

## Panasonic

## 2M Mounting Frames

Metal mounting frames ensuring additional strength comparing to regular mounting frames for challenging assembly conditions. Complying with drywall and flush-mounted cases, the design developed for high-performance operation of all modular products.

2M Earthed Socket
$16 \mathrm{~A}, 250 \mathrm{~V}$ double pole and earthing contact, child protection, screw connection.

1M Switch Mechanism
Modular mechanisms with screw connection suitable for 16AX, 250V.

## Thea ultime

> Chasing
> your dreams

Panasonic

Thea Ultima is able to make your dreams come true with its different color and material frame alternatives. Make a room for the privilege of using switch, dimmer, socket, TV, satellite, network socket modules together on eye-catching frames.

## Thee ultime

$\stackrel{\ominus}{\otimes}$ Technical Specifications

- When a proper card is inserted into Energy Saver reader slot, it sends signal to relay unit to activate the electricity in the room.
- When the card is removed from the slot, room electricity is cut within $15 \pm 3$ seconds. Delay is made by relay unit. When the card is inserted into its slot, pilot lighting LED goes off (if LED is still on, it means that the card isn't sensed).
- 5 V operating voltage
- 16A maximum switching current
- Minimum diameter of connection cable is $0,50 \mathrm{~mm}^{2}$, maximum length is 25 m
- $15 \pm 3$ seconds shutting down delay
- Complies with standard EN60669-2-1
- Suitable for usage with all card types
- The product Energy Saver Mechanical Switch 5V is suitable for usage with ESCU type relay.
- Connection cables between energy saver card reader and relay unit should be spanned within a different channel away from indoor 230 V installation cables and cables with shielding feature should be used.

## New pop-up solutions for mobile devices

Meet new pop-up solutions offering the most advanced Panasonic technology developed for use on table and floors. New pop-up products in connection of your laptops, mobile phones, tablet pc, small house appliances, professional hand tools or other mobile devices make the reliable usage, speed and convenience you seek a part of your life in office, hotel or shopping malls.

## Slow or fast opening cover with a single touch

You just need to touch on a single pushbutton to open your Panasonic pop-up products slowly or fast through which you will combine Panasonic quality and technology with your mobile devices without any problem.

## New Panasonic Pop-up sockets for table and floor

- $120 \times 120$ and $120 \times 140$ / 5 mm elegant and decorative form
- 3 M and 4 M options offered with Silver and Golden color alternatives
- Designs combined with Thea modules
- Tailor-made combined solutions with a single order number
- Easy to use, easy to place order
- Fast or slow opening cover with pushbutton
- Comfortable assembly privilege on table or floor
- Advanced Panasonic technology and quality

## Panasonic

## Easy to use, elegant, stylish and ergonomic design

New Panasonic pop-up products designed with Silver and Golden color options as to comply with decorations of office, hotel and shopping malls on table and floor bring the priorities of users to the design concept.

## First technology and functionality

Thea series modules customized with 3M and 4 M options are together available on Panasonic pop-up products.

## Options equipped with Thea modules

Pop-up products meeting the needs of users as pre-equipped with Thea modules provide ease of placing order through a single code and also has the possibility to design for the purpose of customization with Thea modules suitable for expectations when desired.
